EXPERIENCE

Seoul Metropolitan Office of Education

Teacher

Aug 2011 - Present • Seoul, South Korea

Develop and institute lesson plans and activities to facilitate English as a second language to Korean students. Foster and promote students abilities to think independently and creatively. Work cross culturally with Korean coworkers to problem solve issues related to teaching English to non-native English speakers.

University of Florida Recreation Sports

Photographer

Jan. 2011 - Present • Gainesville, FL

Worked with graphic designers and public relations staff to capture images for promotional use in ad campaigns targeted to a wide demographic. Captured and updated the stock image library of student sports teams at The University of Florida. Worked with video editors to capture HD video via hybrid DSLR/Video cameras like the Canon 5D Mark II.

The Gainesville Sun

Freelance Photographer / NASA Correspondent

May 2011 - Aug. 2011 • Gainesville/Cape Canaveral, FL

Photographed primarily NASA based assignments including the launch of space shuttles, landings, press-ops, and other related material to NASA and its mission to space.

Photojournalism Intern

Jan. 2011 - May 2011 • Gainesville, FL

Photographed various daily assignments including news, features, sports, events, portraits, and press conferences. Worked closely with writers, editors, and other photographers to create visually compelling stories and galleries. Aided in the capture of short video pieces for online distribution.

The Independent Gainesville Alligator

Staff Photographer • Gainesville, FL

Jan. 2010 - May 2010

Freelance Photographer • Gainesville, FL

Feb 2008 - Dec. 2008 • Aug. 2009 - Dec. 2009

Photographed various daily assignments including news, features, sports, events, portraits, and press conferences. Worked closely with writers, editors, and other photographers to create visually compelling stories and galleries.
